Translated from German to English - www.onlinedoctranslator.com

Series | 4, washer-dryer, 8/5 kg, 1400 rpm.
WNA13440

The washer-dryer with Iron Assist steam treatment dries just as efficiently as it washes and also reduces wrinkles. Washing and drying up to 5 kg in one step.

- **AutoDry:** dries laundry precisely and gently to the desired degree of dryness.
- **Wash & Dry 60 ':** Wash and dry small loads in just 60 minutes.
- **Sportswear:** ideal for washing and drying sports textiles made of microfiber and fleece.
- **SpeedPerfect:** perfectly clean laundry with up to 65% time savings.
- **ActiveWater Plus:** Automatic load detection for precise regulation of water consumption for each wash load.

Technical specifications

Energy efficiency class in washing and drying operations (EU 2017/1369):	E.
Energy efficiency class in the eco 40-60 program (EU 2017/1369):	C.
Weighted energy consumption in kWh per 100 complete washing and drying cycles (EU 2017/1369):	313
Weighted energy consumption in kWh per 100 washing cycles in the eco 40-60 program (EU 2017/1369):	63
Maximum capacity in kg in washing and drying mode (EU 2017/1369):	5.0
Maximum capacity in kg in washing mode (EU 2017/1369): 8.0 Water consumption in liters in washing and drying mode per complete cycle (EU 2017/1369):	70
Water consumption in liters in the eco program per operating cycle (EU 2017/1369):	41
Duration in full washing and drying mode in hours and minutes at nominal capacity (EU 2017/1369):	7:30
Duration of the eco 40-60 program in hours and minutes at nominal capacity (EU 2017/1369):	3:32
Spin efficiency class of the eco 40-60 program (EU 2017/1369):	B.
Airborne noise emissions (EU 2017/1369):	70
Airborne noise emission class (EU 2017/1369):	A.
Design:	Floor standing device
Removable worktop: door	no
hinge:	Left
Length of connection cable (cm):	210
Height of the worktop (mm):	850
Dimensions of the device: Net	848 x 598 x 590
weight (kg):	72,046
Drum volume (l):	63
EAN Code:	4242005250097

Series | 4, washer-dryer, 8/5 kg, 1400 rpm.

WNA13440

The washer-dryer with Iron Assist steam treatment dries just as efficiently as it washes and also reduces wrinkles. Washing and drying up to 5 kg in one step.

- Wash + Dry 8/5

Performance and consumption

- Energy efficiency class washing and drying[1]: E
- Energy efficiency class washing[2]: C
- Electricity consumption[3] / water consumption[4] washing and drying: 313 kWh / 70 liters
- Electricity consumption[5] / water consumption[6] washing: 63 kWh / 41 liters
- Load washing and drying / washing: 1 - 5 kg / 1 - 8 kg
- Program duration washing and drying / washing: 7:30 h: min / 3:32 h: min
- Spin efficiency class: B
- Spin speed **: 600 - 1400 rpm.
- Noise level: 70 dB (A) re 1 pW
- Noise efficiency class: A

Programs

- Standard washing programs: Cottons, Minimum iron, Delicates / silk, Wool / hand wash
- Special washing programs: Extra Short 15 ', Mix, Spin / Drain, Sportswear, Rinse
- All common washing programs can optionally also be used as a pure drying program or as a combined washing and drying program
- Standard drying programs: Cottons, Minimum iron
- Special drying programs: refresh, intensive drying, gentle drying, washing & drying 60 '

Options

- SpeedPerfect: perfectly clean in up to 65% less time. ***
- Wash options: easy ironing, speed selection, SpeedPerfect, start / pause, temperature selection, prewash
- Drying options: Drying target
- Drying option for most washing programs
- AutoDry function, time programs

Comfort and security

- Vario drum: gentle and efficient washing
- EcoSilence Drive: quiet motor with a long service life
- AntiVibration Design: more stability and smoothness
- Maintenance-free heat exchanger: automatic lint removal
- Fully electronic one-button operation for all washing and special programs
- Large, clear LED display for program sequence, max.spin speed, remaining time display, 24 h
  End time preselection and loading recommendation
- Reload function: The reload function enables you to add items of laundry even after the wash program has started.
- Overdose indicator
- ActiveWater Plus: for the most efficient use of water, even with small wash loads, thanks to automatic load detection.
- Foam detection
- Unbalance control
- Parental controls
- Beep
- Easy cleaning drawer
- 32 cm porthole, white-black-gray with a door opening angle of 165 °
- AquaStop: a Bosch guarantee in the event of water damage - for the life of the device *

Technical information

- Slidable from a niche height of 85 cm
- Device dimensions (H x W): 84.8 cm x 59.8 cm
- Device depth: 59.0 cm
- Device depth including door: 64.9 cm
- Appliance depth with the door open: 106.3 cm

1 2 On an energy efficiency class scale from A to G 3 Energy consumption in kWh for 100 "washing and drying" cycles (in the Eco 40-60 program)
[4] Weighted water consumption in liters per "washing and drying" cycle (in the Eco 40-60 program)
5 Energy consumption in kWh for 100 washing cycles (in the Eco 40-60 program)
[6] Weighted water consumption in liters per wash cycle (in the Eco 40-60 program)
[7] Running time for the Eco 40-60 program, in the "washing and drying" cycle / only in the washing cycle
** * The specified value is rounded.*
** You can find the warranty conditions at https://www.boschhome.com/de/service/garantie/weiter-garantien/aquastop*
** * * Comparison between the program duration for Easy Care 40 ° C and the program duration for Easy Care 40 ° C + activated SpeedPerfect option*
