TRIO
LIGHTING FOR YOU

Wall lamp

HOOSIC – 224060242

excl. 2x E27 · max. 28W

Features:

- IP44
- Lamp(s) not included
- Up and Down lighting
- Wallmounting

Whether you install the light on the façade of your house, your balcony or on the wall of your patio, the HOOSIC series is versatile thanks to its simple design. Thanks to its IP44 protection rating, it is protected against splashing water and is therefore suitable for outdoor use. The up and down lighting gives every house wall and façade a special charm. The white/ anthracite colour combination underlines the modern style and can be combined wonderfully. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
