Outdoor LED bollard 30 cm high with a power of 9W and natural white light of 4000K. This bollard is useful for lighting pathways and for creating a pleasant ambient lighting in outdoor gardens. You can find the Pisa Bollard in two different sizes that you can combine, in 50 cm and 30 cm. With an IP65 rating it is very water resistant so it can be installed near swimming pools. Finished in matt anthracite grey.
