

MULTIFUNCTIONAL DIGITAL AIR FRYER

P101FRI012

The 12 liter digital hot air fryer is perfect for frying without oil, grilling, roasting, toasting, gratinating and for dehydrating food. The 8 preset programs for various foods including fries, meat, chicken, fish, dessert and so on with various cooking modes such as frying, baking, rotisserie and dehydrating are perfect for those who love handiness and have little time available. Hot air technology, digital display and multi-accessories: two air flow racks, rotating basket, rotisserie kit, non-stick baking tray and removal handle.
