Be prepared for unexpected stains and lingering odours with the convenience of the BISSELL SpotClean Pet Plus. Effectively remove spots and stains from wherever you find them using water, BISSELL cleaning solution and specialized cleaning tools with powerful suction. SpotClean Pet Plus with its extra long 2.2m hose is easy to take to hard-to-reach areas, so you can remove spots and stains from high-traffic areas like carpets, area rugs and stairs, to all kinds of soft surfaces, couches, car interiors and more. This compact machine features a two-tank technology, designed to keep clean water and formula separate from used water, so you can clean confidently knowing that you're never cleaning with dirty water. The 8 centimeter tough stain tool works on everyday stains loosening and lifting them away. The Stain Trapper Tool sprays, scrubs and suctions extra-gross, extra-stinky liquid messes and keeps them inside the tool and out of your machine.
