

Product name / Code	CSOE H10A2TE-S
product code	31102178
Bar code	8059019023410
Type of machine	Heat pump
Built-in / Freestanding	Freestanding
Cotton capacity (kg)	10

TECHNICAL CHARACTERISTICS

Connection	Wi-Fi + Bluetooth
IoT Application	hOn application
Drum material	Galvanizovani
Drum volume (l)	125
Condensing vessel position	Tank in the door
Control Board	5D
Water drain hose	Gives
Napon (V)	220-240
Adjustable legs	Yes
Type of plug	Schuko

PROGRAMS AND FUNCTIONS

Woolmark Certificate	Gives
Program number	15+1
Delayed start	From (from 24h)
Cycle completion indicator	Gives

APPEARANCE

Color	Lovely
Door color / material	Lovely
The door	Transparent with EasyCase container

PERFORMANCE

Energy efficiency class	A++
Annual electricity consumption (kWh) (1)	282
Condensation efficiency class (from G min to a A max)	B
Power consumption, full load - NEW	2,48
Electricity consumption, partial load - NEW	1,18

DIMENSIONS

Height with top plate (mm)	850
Device width	596
Depth of device	585
Height of packed device (mm)	890
Width of packed device (mm)	650
Depth of packaged product (mm)	620
Gross weight (kg)	43
Net weight (kg)	41,2
