Manual Height Adjustment

Easily transition from sitting to standing with the locking rotary knob which ensures a secure position at any height setting.

Sturdy Enough to Hold Up Media Equipment

With four shelves, the well-built mobile sit-stand workstation can hold up to 60 kg of media equipment. Individually, each shelf can hold 15 kg.

Durable Construction

High-quality steel frame ensures durability and stability; ideal for commercial environments with multiple users and frequent movement between meeting areas.

Heavy Duty Casters with Locks

Equipped with four heavy-duty casters to effortlessly move the workstation from one place to another. Locking mechanisms allow the cart to be stationary or mobile.
