FEATURES

Compact Size
The same performance as a big gaming rig but in a powerful small sized chassis so you can take it anywhere.

4K UHD Resolution
4KUHD
3840 x 2160
Experience the incredibly sharp and crisp images, movies and gameplay etc., to meet your sensory needs.

WiFi 6
The latest wireless solution supports MU-MIMO and BSS color technology, delivering speeds up to 2400Mbps.

VESA Mountable
To be mounted on the wall of your office & home with a VESA standard design which can make it completely invisible on a desk.

TPM Support
FW TPM design secures your confidential data with encryption keys.

Easy to upgrade
Easy to access and upgrade components to keep the system up to date with the latest hardware.

Low Noise
With an excellent thermal design and low noise fan, resulting in a low noise level as quiet as a forest.
