

Lava lamp

## LAVA – R50071116

incl. 1x GY6.35, 35W · 1x 530lm, 2700K

- **Cable switch**

Lava lights are absolute classics and a highlight among decorative lights! Create colourful lighting accents in your living room, bedroom or children's room! As a mood light, the LAVA also creates a warm and cosy atmosphere that invites you to relax and linger. The contents of the vessel are illuminated and heated at the same time, causing the greenish wax lava balls to rise and fall. While the wax moves in the column of clear liquid, the LAVA creates a very pleasant and warm light. The column is securely attached to a silver-coloured metal base and is also tested in accordance with the DIN EN 60598-2-10 children's lighting regulations.

### Material construction

Metal · Silver

### Product dimensions

Height: 41cm  
Diameter: 10cm  
Weight: 1,7kg
