

PRODUCT DATA SHEET	
Compliance with Commission Delegated Regulation (EU) No. 392/2012	
Manufacturer name or brand	SHARP
model designation	KD-HHH8S8GW3-UK
Rated capacity (kg)	8th
type of dryer	heat pump
energy efficiency class ⁽¹⁾	A+++
Annual energy consumption (kWh) ₍₂₎	176
Automatically or not automatically	Automatically
Energy consumption of the standard cotton program at full load (kWh)	1.39
Energy consumption of standard cotton program at half load (kWh)	0.82
Energy consumption of "Off" mode for the standard cotton program at full load P (W) _o	0.5
Energy consumption of the "Left On" mode for the standard cotton program at full load P (W) _L	1
Duration of Left On mode (min)	n / A
Standard cotton program ⁽³⁾	
Program duration of the standard cotton program at full load, T (min.) _{dry}	179
Program duration of the standard cotton program at half load, T (min.) _{dry1/2}	110
Weighted program duration of the standard cotton program at full and half load (T) _t	140
condensation efficiency class ⁽⁴⁾	B
Average condensation efficiency of the standard cotton program at full load C _{dry}	81%
Average condensation efficiency of the standard cotton program at half load C _{dry1/2}	81%
Weighted condensation efficiency of the standard cotton program at full load and half load C _t	81%
Noise level of the standard cotton program at full load ⁽⁵⁾	65
Integrated	nope

(1) Scale from A+++ (most efficient) to D (least efficient).

(2) Energy consumption based on 160 drying cycles of the standard cotton program at full and partial load and consumption in the low power programmes. The actual energy consumption per cycle depends on the use of the device.

(3) "Cotton cupboard dry" program at full and part load is the standard drying program to which the information on the rating plate and data sheet refers. This program is suitable for drying normal, damp cotton laundry and is the most efficient program in terms of energy consumption for cotton.

(4) Scale from G (least efficient) to A (most efficient).

(5) Weighted average value - L wA expressed in dB(A) re 1 pW.

KD-HHH8S8GW3-UK

EAN: 4974019158754

- Energy efficiency class A+++ (A+++ to D) 8 kg - suitable for households with 4 or more people
- Program knob and DirectTouch operation on LED display
- Stainless steel drum with LED drum lighting - thanks to the perfect illumination of the honeycomb drum, no piece of clothing will be lost in the future
- 15 drying programs including a 30-minute quick drying program
- Super Silent - Door with double glazing

highlights

bubble drum stainless steel drum

The BubbleDrum drum is designed to be as gentle as possible with your laundry handles, but still dries perfectly

Drum- interior lighting

The drum interior lighting ensures a perfect view while you are loading and unloading your laundry unloaded

Two ways- slingshot

The drum rotates both clockwise and counterclockwise to evenly dry your clothes and prevent tangles

Automatic anti-crease function

Each program has its own program so that you don't have to iron as much after washing

anti-crease function.

technical data

specifications	
color	White
Drum volume in L	112
engine type	bpm
compressor type	PSC
number of programs	15
Capacity in kg	8th
Energy efficiency class (A+++ to D)	A+++
Fast drying program duration in min.	30
number of sensors	8 sensors technology
Alternating rotations	Yes
security_level	3-level protection
type of door	Big door with big opening
Other features	
type of display	LED touch
security class	B
drum interior lighting	Yes
error detection system	Yes
steering	Electronic
Adjustable degrees of dryness	Yes
Bubble drum	Yes
WaveCabinet	Yes
Delay start time	Yes
drum material	stainless steel
ChildLock	Yes
End of the acoustic signal	Yes
BuzzerStop	Yes
Automatic anti-crease function	Yes
Anti-crease Plus function	Yes
drain hose	Yes
remaining time display	Yes
Changeable door stop	Yes
Full filter display	Yes
Display when the water tank is full	Yes
Capacitor cleaning display	Yes
Dry cycle indicator	no
material of the door	Glass
Door stop position	right
Position of the water tank	above
Removable worktop	no
Condensation efficiency class	B
Noise level in dB(A)	65
Height adjustable feet	Yes
Energy, voltage and consumption	
Fuse in A	10
Voltage in V / frequency in Hz	220-240/50
Connection value in W	1000
Annual energy consumption in kWh	176
Weighted condensation efficiency class in %	81
programs	
program 1	Cotton extra dry
program 2	Cotton cupboard dry
program 3	Cotton iron damp
program 4	Delicate wash cupboard dry
program 5	Delicates iron damp
program 6	Extra gentle

program 7	mixing
program 8	baby clothes
program 9	down
program 10	dry season
program 11	refresh
program 12	Fast 45'
program 13	Shirt 30'
program 14	Sports
program 15	Refresh wool
mass and weight	
dryer type	heat pump
Product dimensions (HxWxD) in mm	845x596x609
Dimensions of the packaged product (HxWxD) in mm	881x641x638
Approximate net weight in kg	50.3
Approximate gross weight in kg	52
