

All-round vision  
- Rear cam support

# MiVue™ C588T

1080P **STARVIS** Super-Cap & GPS Dual Dash Cam

## Mio™ Night Vision Technology

Utilizing cutting-edge **Mio™ Night Vision Pro Technology**, smooth and clear footage is ensured by our professional image tuning technology and our insistence on using quality glass. The MiVue™ C588T is fitted with Sony's premium STARVIS™ sensor and large aperture to deliver superb contrast and rich colors even in low-light conditions.

Sony's premium  
**STARVIS™ CMOS**  
Clear images even in low-light conditions

Capture all the details  
**Full HD 1080p at 30fps**  
Your dash cam captures all the necessary details of your journey

Super-Cap  
**Super capacitor**  
for extreme conditions

Rear cam  
**MiVue™ T35**  
included with 2M sensor

140° wide  
angle view

GPS Safety camera  
warnings & Mio's  
patented Smart Alert

Average  
Speedcam Alert

Record at all times  
with Parking Mode

## The complete package – MiVue™ T35 rear cam included

Your MiVue™ C588T device comes with the MiVue™ T35 rear camera to compliment your dash cam, capturing details behind your vehicle and alleviating your blind spot. The MiVue™ T35 uses a 2M sensor and 130° wide-angle lens to record footage in crystal clear 1080p Full HD at 30fps.

## Average Speedcam Alert

- MiVue™ C588T shows the distance and time (seconds) to terminal speedcam, and also provides the speed limit and average speed of the interval

Speed limit: turn red if the driver is speeding

Remaining time (seconds)

Average speed

END

## GPS Safety Camera Warnings

- General fixed-distance warning
- Mio's patented Smart Alert: early alert for higher speeds
- Enjoy free safety camera data updates\*

\* Excludes France, Switzerland, Latvia, Estonia, Romania, Turkey, and Germany.

## Record at all times with Parking Mode

- With the latest motion detection technology, MiVue™ C588T can automatically activate and record videos when a motion is detected near the front of the vehicle. This helps collect evidence even when you're not in the car\*\*

\*\* Requires SmartBox III available separately.
