

Storm Outdoor AC Ceiling Fan IP44

Reference: 85-040-03-100

Weight (Kg): 6.5
Material: Aluminium
Finish: Matt white
IP Rating: 44
Voltage (V): 220-240
Frequency (Hz): 50
IEC protection: Class I
Material blades: ABS
Blades: 3
Height: 43 cm
Ventilation function: No
Motor: AC
Speeds: 3
Engine power (W): 24 / 43 / 78
RPM: 100 / 140 / 195
Airflow m³/hr: 6850 / 8350 / 11500
Sound decibels (DB): 25 / 30 / 43
Timer: 1-2-4-8 h
Air natural function: No
Remote control: Included
Room size: more than 20 m²
Fan diameter: 132 cm
Summer / Winter function: No

Storm is an **outdoor ceiling fan** with IP44 **without light**. It has a diameter of 132cm and is water resistant so this AC motor fan is perfect for installation on porches and semi-open terraces. It moves a large flow of air, so even if it is installed outdoors the airflow will cool the environment. It works with three different speeds and allows you to program the operating time from the control included in the box.
