LED ceiling fan Batán for modern living rooms. White fan designed to be installed in medium-sized living and dining rooms. The blades are retracted and only deploy when the fan is in operation. With a six-speed DC motor, the fan emits a minimum of noise when providing airflow in the room. You can dim the lumen intensity and select from three colour temperatures to create the perfect lighting every time.

This fan features SMART technology to control its functions from your tablet or smartphone with the Tuya Smart app.
