

**Not Just 4K Extreme Clarity,
but Even More Pro Safety
Camera Warnings!**

MiVue™ 955WD

Premium 4K+2.5K, Wi-Fi, GPS Dual Dash Cam

Mio™ Night Vision Technology

Utilizing cutting-edge **Mio™ Night Vision Ultra Technology**, smooth and clear footage is ensured by our professional image tuning technology and our insistence on using all glass lens for durability and high light transmittance. The MiVue™ 955WD is fitted with 1/1.8" large sensor to deliver outstanding picture clarity and extremely vivid colors, whilst recording brighter video in lowlight conditions.

Exceed your expectation: 4K Extreme clarity

Save your file
every second

**Record at all
times with
Parking Mode**

4K 2160P front cam & 2.5K 1440P rear cam – Synchronized recording for extreme clarity

MiVue™ 955WD provides extreme clarity through the 4K 2160P (8MP) resolution, which is a four times higher resolution than Full HD, and the 2.5K 1440P (5MP) rear cam for the ultimate protection.

4K front cam (night)

2.5K rear cam (night)

Integrated high speed Wi-Fi – Quick pairing using QR code

2 TIMES FASTER DOWNLOAD SPEED!

The integrated high-speed Wi-Fi enables high-speed transmission, making video downloading even faster. Scan the QR code shown on MiVue™ 955WD to connect to Wi-Fi via MiVue™ Pro App easily and quickly in one step.

Rear cam (MiVue™ E60) included with STARVIS™ sensor & Backward Collision Warnings

Your MiVue™ 955WD device comes with the MiVue™ E60, which uses Sony's premium STARVIS sensor to record footage with enhanced night vision in 2.5K 1440P at 30fps HDR. Drivers will be alerted when the cars behind are too close through the Backward Collision Warnings from MiVue™ E60.

2.5K 1440P/Auto HDR

2.5K 1440P/Auto HDR mode switch image sensor between day and night to take better videos.
