

Your personal
eyewitness on the road

MiVue™ C312

WHY THE MIO MIVUE™ C312

The MiVue™ C312 dash cam offers you that extra level of security in the event of an accident while on the road. Capturing the moment of impact can help provide proof before, during and after an accident.

Capture all the details
– Full HD 1080p at 30 fps

Designed with a Full HD 1080 pixel camera, your dash cam captures all the necessary details of your journey. With a 130° wide-angle lens, you can be sure that no part of your journey is left unrecorded.

Superb picture quality – 2M Sensor

High image and video quality is vital for showing what happened in the event of an accident. The MiVue™ C312 ensures that footage captured cannot be disputed.

It has your back: traceable movements
– 3-Axis G-Sensor

In the event of an accident or a sudden change of motion, the device's built-in G sensor instantly records vehicle's movements and ensures the recorded data cannot be overwritten.

Stylishly small

There's no reason a dash cam shouldn't be stylish. The MiVue™ C312 is compact, sleek and sturdy. It mounts to your windscreen without causing distraction and can be stored in your vehicle's glove compartment when not in use.

Simplicity first – Auto power on

Don't waste time learning how to use complex devices. Simply power-up and you're ready to go. With an intuitive menu and large icons, the device couldn't be easier to use.

MiVueTM C312

Features

- **2" screen** – intuitive and user friendly
- **2M sensor** – for optimal view and superior recording
- **1080p Full HD recording at 30 fps**
