Continuously recording
for up to 2 hrs

Not afraid of rain when riding

- Made of metal casing and fortified glass lenses, the MiVue™ M700 is IP67 waterproof design for unfailing performance and ensure to use in rainy day.
- Wide selection of accessories including waterproof USB cable, O-mount & tape set, and M40 rear cam set*.

Waterproof USB cable

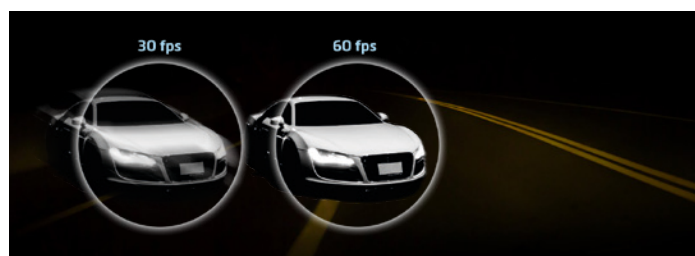

M40 rear cam set

* M40 rear cam set is available separately.

60fps High Speed Recording

- When compared with conventional 30fps, this double data density allows for exceptionally detailed and smooth video even when recording at high speeds.

Undisputable footage

- Day or night, the camera captures all. Recordings are made with 1440p WQHD in 140° wide angle viewing, capturing everything that you see as you drive.

Integrated WIFI

- Immediately back up your videos to your smartphone or share them via the MiVue™ Pro app, with the device's integrated WIFI.
- You can also update the MiVue™ M700 firmware with WIFI OTA (Over-the-air) update, ensuring your device is always up to date.
