Delicate yet striking - the GILA table lamp. Whether on a chest of drawers or bedside table, this lamp creates impressive moments of light. The cut-outs in the shade create an enchanting interplay of light and shadow, creating an inviting atmosphere. Designed in elegant sand, GILA creates a stylish contrast in rooms with a loft-chic look and gives them a modern flair. The use of LED light sources is recommended for energy-saving lighting. These are an ideal alternative to conventional halogen light sources and offer high light quality and energy savings of up to 80%. With LED light sources, you also benefit from a long service life and low heat generation while protecting the environment.
