

DEWALT 18V XR Brushless 165mm Circular Saw – Bare Unit

DCS565N-XJ

- General purpose ripping, cross-cutting and bevelling
- High torque Brushless motor for greater durability and power for cutting job site and joinery materials
- Cutting depth setting of up to 55 mm
- LED light and dust blower for increased visibility Stable block construction for low vibration running and long service life
- Additional handle for safe two-handed work
- Variable adjustment of the bevel angle to 50 degrees
- Optimum balance for safe, fatigue-free operation
- Air lock compatible dust extraction system for a cleaner and safer jobsite environment

Description:

The DEWALT 18V XR Brushless Circular Saw is part of the 18V XR platform. The high torque Brushless motor offers increased efficiency and power delivery, resulting in less wear and greater tool life. The circular saw is an efficient cordless solution for various applications such as ripping, cross cutting and bevelling, with a cutting depth of up to 55mm, thanks to the ultra thin 165 mm kerf, and 24 tooth carbide-tipped blade allows for efficient run time and fast, smooth cutting. The ergonomic handles with rubber overmould offer improved comfort which helps reduce end user fatigue.

What we like – Cordless 18 XR circular saw delivers extended runtime and is compact and powerful enough to get the job done.

Supplied With:

- 1 x Precision 24 tooth saw blade
- 1 x Rip fence
- 1 x Hex key
- 1 x Dust extraction sprout

Specifications	
Battery	XR Lithium-Ion
Voltage	18 V
No Load Speed	4950 rpm
Blade Diameter	165 mm
Max. Depth of Cut at 45°	42 mm
Max. Depth of Cut at 90°	55 mm
Bevel Capacity	50 °
Blade Bore	20 mm
Hand/Arm Vibration	2.5 m/s ²
