

Table lamp

JEFF – R59151131

incl. 1x SMD, 1,5W · 1x 120lm, 3000K

Features:

- 4 level Touch function
- IP20
- Rechargeable battery operated
- USB connection

The JEFF mobile table lamp is a practical companion within your own four walls. The luminaire's rechargeable battery, which can be easily charged via the USB-C port, enables flexible placement without cables wherever a cosy lighting atmosphere is required. The luminaire's 4-touch function adjusts the light intensity to your individual needs in 3 brightness levels and offers versatile lighting solutions for modern everyday life. The design in matt white metal is modern and stylishly enhances your interior. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
