

Table lamp

RENNES – R52411106

incl. 1x SMD LED, 4W · 1x 400lm, 3000K

- **Cable switch**
- **Flexible**
- **IP20**

The functional LED table lamp from the RENNES series impresses with its simple handling and sleek design, which can be easily used in any desired area. The light can be easily adjusted using the flexible arm. The table lamp in chrome blends in perfectly with modern furnishing styles. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.
