Ceiling lamp

BLAZE – 641210305

incl. 1x SMD, 35W · 1x 4300lm, 2300+3000+4000K

- **Dimmable via switch**
- **Not suitable for external dimmer**
- **Wall- & ceiling mounting**
- **Colours directly adjustable at the lamp**

The beautiful curved shape of the BLAZE ceiling light sets the scene for your dining or living area in a targeted manner and also becomes an eye-catcher on the ceiling. The modern and elegant luminaire has a SWITCH dimmer, which allows the brightness to be graduated from 100% to 50% and 25% via a conventional light switch. In addition, the luminaire has a switch that allows the light colour (warm white, neutral white or daylight white) to be adjusted. The design of the luminaire is rounded off by the simple colour combination of brushed aluminium and matt black. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.

Material construction

Metal · Brushed aluminium

Product dimensions

Width: 107cm
Height: 7cm
Depth: 18cm
Weight: 1,3kg
