

# Gigabyte RTX 4080 SUPER MASTER 16GB GDDR6X 256bit HDMI

## Basic information

**Producer:** GIGABYTE  
**AB Code:** KGGBAN408577008  
**Vendor Code:** GV-N408SAORUS M-16GD  
**EAN Code:** 4719331354213  
**Guarantee:** 3 years

## Parameters

|                                                 |
|-------------------------------------------------|
| <b>Model:</b> GV-N408SAORUS M-16GD              |
| <b>Graphics card connector:</b> PCI-E ver. 4.0  |
| <b>Chipset manufacturer :</b> NVIDIA            |
| <b>Chipset:</b> GeForce RTX 4080 SUPER          |
| <b>Memory type :</b> DDR6X                      |
| <b>Memory bus:</b> 256-bit                      |
| <b>VRAM memory size:</b> 16 GB                  |
| <b>Core frequency:</b> 2550 MHz                 |
| <b>Core Boost frequency:</b> 2625 MHz           |
| <b>Memory frequency:</b> 23 Gbps                |
| <b>CUDA Core:</b> 10240                         |
| <b>Video ports:</b> 1 x HDMI                    |
| <b>Video ports:</b> 3 x DisplayPort             |
| <b>Cooling :</b> Active                         |
| <b>Supported standards:</b> DirectX 12 Ultimate |
| <b>Supported standards:</b> OpenGL 4.6          |
| <b>Other features:</b>                          |
| <b>Accessories included:</b>                    |
| <b>Dimensions:</b>                              |
| <b>Version:</b> Box                             |
| <b>Other information :</b>                      |
