

## SET C149 TIRSO 80 FIORD (CABINET+WASHBASIN)

COLLECTION TIRSO, [TIRSO FURNITURE](#)

PRODUCT CODE:

S801-540

### Product description

This set includes the TIRSO 80 washbasin cabinet in the DSM version and the COMO 80 ceramic washbasin. Cabinet is equipped with two spacious drawers with a full bottom, providing more space for storing various bathroom accessories - therefore, we recommend using a space-saving siphon. The front of the cabinet is made of grooved MDF board laminated in a matt version, which gives it a subtle texture and elegant appearance. The body of the cabinet is laminated chipboard, also in a matt finish. The rectangular COMO 80 ceramic washbasin has a hole for fittings and an overflow in the central part, it can be completed with ceramic or metal click-clack plugs from the Cersanit offer.
