Elegant, timeless.

The series was designed by Magda Fornal.

The design of the light fixtures harkens back to bygone years, but in a contemporary way: it is light and elegant at the same time. It is an "emotionally engaged" design. - It is meant to arouse feelings through its design.

Each piece is refined to the smallest detail, and the materials used (including brass and marble) emphasize the class of the product.

A series designed by a woman - dedicated to women.
