

Ceiling lamp

JOHANN – 606905032

excl. 1x E27 · max. 60W

- **Ceiling mounting**
- **IP20**
- **Lamp(s) not included**

The filigree metal arches of the JOHANN ceiling lamp unite to a stylish lampshade, which provides for a unique light result! Placed in the living room, the lamp casts a great pattern of light and shadow on the ceiling, creating a cozy atmosphere. The design in matt black creates a colour contrast for modern interiors. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
