

HSSE countersink set 3-piece DIN 335 C 90° version Co5

HSSE countersink set 3-piece DIN 335 C 90° version Co5

Item number: [25202155](#)

EAN: [4007220168714](#)

The sets include high-performance countersink tools with a countersink angle of 90° for countersinking 90° screws for particularly tough and hard materials such as alloyed and high-strength steel and stainless steel (INOX). Long tool life and temperature-resistant version due to Co content. The sturdy plastic box protects the tools from dirt and damage.

Technical information

Contents tool	6.3 / 10.4 / 16.5 diameter
Number, content	3 pcs.
PFERD TOOLS	SET KES HSSE
type	DIN 335 C90° 3
Version	HSSE

Advantages

- ✓ Very high stock removal rate and optimum chip removal.
- ✓ Burr-free results even at low cutting speeds.
- ✓ Long tool life.
- ✓ High workpiece surface quality.
- ✓ Suitable for general use on almost any kind of material.
- ✓ Very good temperature resistance due to Co content.

**Recommendations for
use**

- ✓ Particularly well suited for producing countersinks for 90° screws.
 - ✓ Use cutting oil or compressed air as a coolant/lubricant.
