The modern mix of metal and wood looks timeless and is absolutely on trend. The combination with natural materials has become an integral part of modern living spaces and also creates a cosy ambience. The TOSH floor lamp is therefore an ideal choice for creating the right lighting mood and can make dark corners appear in new splendour. The three light sources can be individually aligned. The light can be conveniently switched on and off using a foot switch. Metal in matt black together with the wooden elements can be found in modern and minimalist furnishing styles. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
