

BUFFET WARMER

P101TEM001

Buffet warmer to keep dishes warm without worrying about the risk of burning. Ideal for family reunions and personal celebrations, for formal events and parties. Two removable 2.4 liter and two 1.1 liter stainless steel containers allow you to serve various meals separately. Transparent lids to keep meals well displayed. Without the containers, the base turns into a large plate to keep the dishes warm directly from their pots or plates. Its cool touch handles allow you to transport the food warmer easily anywhere. Equipped with a thermostat to regulate temperatures, and operating light. Containers and lids are dishwasher safe.
