Wall lamp

CHIROS – 224110179

incl. 1x SMD LED, 8W · 1x 800lm, 3000K

- **Wallmounting**
- **Not dimmable**

Accentuation in a graceful form! The CHIROS wall and ceiling light enhances the look of any living room or bedroom. The design of the light is created primarily by the artistic grain of the surface. With a diameter of 22 cm, the light can be wonderfully combined in multiple versions. Its gold-coloured look makes it a real eye-catcher and can be placed appropriately in modern furnishing styles. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.
