

## Wall lamp

### NILAM – 212879236

excl. 1x E27 · max. 28W

incl. 1x SMD LED, 3,1W · 1x 310lm, 3000K

#### Features:

- FLEXconnect
- Flexible
- IP20
- Lamp(s) not included
- Separately switchable
- Switch
- Wallmounting

Lights made from natural materials bring lightness and cosiness into your home. This makes the NILAM wall light perfect for your bedroom! In addition to the pleasant main light with a cylindrical fabric shade, the modern wall light has a convenient and flexible reading arm that can be used as a second light source to customise the light to your needs. Both light sources can be switched separately using two switches on the body. Thanks to the FLEXconnect feature, the light is also suitable for both fixed connection and use with a plug lead. The colour and material of the lamp in white fabric and untreated natural wood create an oasis of well-being in your sleeping area. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.

#### Color & Material:

Color: Natural  finish  
Material: Natural wood

Shade:

Color: White  
Material: Fabric

#### Dimensions:
