USER MANUAL

The Magnetic POGO Pin Dongle shifts your device's USB-C port to a POGO connection. Once installed, it enables charging and data transfer without manual plugging – simply place your device on a compatible mount.

- Instant connection for both charging and data transfer.
- Universal: Compatible with all USB-C devices.

Clean and dry the surface before installing the Magnetic POGO Pin Dongle.

Insert the connector into your smartphone's USB-C port.

Peel off the adhesive backing on the back of the Magnetic POGO Pin Dongle.

Press down on the base of the Magnetic POGO Pin Dongle to position and tighten the cable.

Apply pressure across the entire surface to firmly attach the Magnetic POGO Pin Dongle to your device.

Note: *A minimum bonding time of 72 hours is required before use, at room temperature (15°C to 30°C).*

WARNING

Incorrect installation

Cable not tightened

Correct installation

Cable flush and secured
