

LYRA SMART

Single lever kitchen wall-mounted mixer, swivel spout 150 mm

TECHNICAL DRAWINGS

FEATURES

A glimpse of traditional shower faucets, this one from Lyra series remains synonymous to harmonic shapes and classic lines. The Lyra Smart sink mixer with a 150 mm swivel spout contains a high-quality ceramic cartridge (Ø 35 mm). The Neoperl aerator located in the faucet is made of a special material on which limescale does not settle, which eliminates laborious cleaning. Nevertheless, do not forget about daily battery maintenance, as limescale is able to settle within 48 hours! We guarantee a 5-year warranty on the surface of the battery and on the ceramic cartridge. Tested for 70,000 cycles.

Application place: **Basin**

Faucet type: **Single-lever**

Finish: **Chrome**

Flow rate (l/min - 3 bar): **5**

Installation type: **Wall-mounted**
