Do you like interesting arrangements and playing with light? The Forever Light LED Neon lights will provide a beautiful effect of a colorful glow in your room. They are great as ornaments to place on a shelf in the living room or as decorative lighting in the children's room. The holes in the neon allow the lighting to be hung on vertical surfaces. The atmospheric light will suit the interiors of restaurants, bars and other spaces, where the colors will uniquely enhance the atmosphere of the place. What sets neon lights apart is their uniform light diffusion, with no noticeable points of light. Thanks to LED technology, the neon lights consume relatively little electricity. The device is powered by a USB plug or 3 AA batteries, and has an on/off switch located on the battery box. The neon lights are available in many shapes and colors including white, orange, green, red and pink. The device is aesthetically pleasing and made using white plastic. Product features: - LED technology; - holes for hanging on the wall; - fashionable designs; - powered by 3 AA batteries or a USB plug; - 2m power cable - ON/OFF switch; - chain for hanging the neon - different colors of light depending on the model.
