Decorative and functional - the HOOSIC series wall light with integrated motion sensor and up&down lighting. In the dark, the wall light unfolds its full effect and shines the light evenly into the outdoor area, creating an effective and pleasant light intensity. Thanks to the weather-resistant die-cast aluminium in combination with the IP44 protection rating, the wall light is ideal for mounting on your house façade, entrance area, balcony or patio. The black matt design with smoke-coloured plastic can be combined in a variety of ways and ensures a modern appearance. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
