

Integrated peripherals	Microphone, Ethernet network adapter, USB 3.0/USB-C hub, 1080p webcam
Integrated USB hub	
Built-in camera	
screen	
form factor	desktop device
diagonal	24 inches
Visible image size	23.8 inches
pixel pitch	0.2745mm
native resolution	1920x1080
Vertical refresh rate at max resolution	75Hz
technology	TFT active matrix
brightness	250 cd/m ²
contrast ratio	1000:1
reaction time	5ms
screen coating	3H Hard Coating, Anti-Glare
rotation angle	355
TFT technology	IP
Display position settings	Height, pivot (rotation), rotation, tilt
Size diagonal (metric)	61 cm
height adjustment	130mm
Type	LED-backlit LCD monitor
aspect ratio	16:9
Video format	Full HD (1080p)
audio output	
Type	speaker
Output power/channel	3 watts
speaker configuration	stereo
interfaces	
interfaces	DisplayPort 1.2, USB-C/DisplayPort 1.4 Alt Mode (up to 65W), Headphones, HDMI, 2 x USB 3.0 downstream
software	
Type	LG On Screen Control
power supply device	
power consumption during operation	23 watts
Required mains voltage	AC 100-240V
necessary frequency	50/60Hz
nominal voltage	AC 120/230 V
Power consumption in standby mode	0.5 watts
Power consumption (off mode)	0.3 watts
power supply	
energy efficiency class	Class F
measures and weight	
broad	55.3 cm
depth	5.9 cm
height	33.2 cm

miscellaneous	
color category	black
colour	black
performance characteristics	Security lock slot (cable lock sold separately)
Anti-theft lock type	Kensington slot
