Acer Professional B246HYLA 60,5 cm (23.8") 1920 x 1080 pixels Full HD LED Grey:

Flexible
Find the working angle that's perfect for you with a monitor that tilts, swivels, pivots and can be adjusted for height. The stand also has a magnetic area, perfect for holding paperclips and keeping your desk uncluttered. These monitors are also wall-mountable, giving you clear views with more room.

Connective
Collaborating with others is faster and more productive when you have ample ports available. Professional Series monitors allow you to connect to a wide variety of devices like notebooks and tablets, thanks to VGA, DVI, HDMI, USB 3.0, DisplayPort and MHL ports.

Ecological
Professional Series monitors are RoHS compliant and mercury free. In addition, the advanced Acer EcoDisplay design plus white LED backlighting yield significant power savings. More than 10% of the material used in these monitors is post-consumer recycled (PCR) plastic, further reducing environmental impact.
