

Table lamp

QUEEN – R52021107

incl. 1x SMD LED, 3W · 1x 280lm, 3000K

Features:

- 4 level Touch function

The QUEEN table lamp impresses with its simple elegance and timeless look. The integrated 4-way touch dimmer allows the brightness to be adjusted in stages and is controlled using the button on the base. Thanks to its simple design, the lamp can be easily integrated into various furnishing styles and is suitable as a supplementary light next to the sofa, as a lamp on the bedside table next to the bed or on the chest of drawers. The table lamp has a height of 24 cm and a diameter of 15 cm. The luminaire in matt nickel is combined with a glass in alabaster-coloured white, which emits a uniform light. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
