Description for Online Shops / Catalogues

Perfect pizza – like done by a pizza baker!

The perfect pizza in just 10 minutes* - without defrosting, without preheating!

The innovative Pizza Express function makes pizzas up to 50%* faster than in a conventional oven. Thanks to the double grill and top and bottom heat, perfect baking results and crispy pizza bases are guaranteed - at the touch of a button.

Thanks to the integrated grill function as well as the ultra-hot-air function with up to 230°C, it is easy to bake over or prepare a variety of other dishes.

The operation is easy to handle:

Thanks to the LEDTouch display and "Easy-Select" concept, all functions can be accessed quickly. The button tones can be switched on or off as required.

11 automatic programmes, 10 power levels and defrosting by weight or time round off the overall picture.

Good to know: Three favourite dishes can be programmed and called up at any time at the touch of a button.
