

# FA4S 842 J IX HA

12NC: F154884

GTIN (EAN) code: 8050147548844

Hotpoint

ARISTON

## MAIN FEATURES

| Product group                         | Oven             |
|---------------------------------------|------------------|
| Commercial code                       | FA4S 842 J IX HA |
| Main colour of product                | Inox             |
| Construction type                     | Built-in         |
| Type of control                       | Electronic       |
| Type of control settings              | -                |
| Are any hobs controls integrated?     | No               |
| Which kind of hobs can be controlled? | -                |
| Automatic programmes                  | Yes              |
| Current (A)                           | 13               |
| Voltage (V)                           | 220-240          |
| Frequency (Hz)                        | 50/60            |
| Length of Electrical Supply Cord (cm) | 100              |
| Plug type                             | No               |
| Depth with open door 90 degree (mm)   | -                |
| Height of the product                 | 595              |
| Width of the product                  | 595              |
| Depth of the product                  | 551              |
| Minimum niche height                  | 0                |
| Minimum niche width                   | 0                |
| Niche depth                           | 0                |
| Net weight (kg)                       | 26.9             |
| Usable volume (of cavity)             | 71               |
| Integrated Cleaning system            | No               |
| Grids of the cavity                   | 1                |
| Trays                                 | 2                |

## TECHNICAL FEATURES

|                                           |            |
|-------------------------------------------|------------|
| Timer                                     | No         |
| Time control                              | Electronic |
| Time-setting options                      | Stop       |
| Safety device                             | -          |
| Interior light                            | Yes        |
| Number of interior lights of the cavity   | 1          |
| Position of interior lights of the cavity | Front left |
| Oven guides of the cavity                 | Grids      |
| Probe of the cavity                       | No         |

## ENERGY LABEL

|                                                                       |          |
|-----------------------------------------------------------------------|----------|
| Energy input                                                          | Electric |
| Type of energy of the cavity                                          | Electric |
| Energy efficiency class - NEW (2010/30/EU)                            | A+       |
| Energy consumption per cycle conventional - NEW (2010/30/EU)          | 0.89     |
| Energy consumption per cycle forced air convection - NEW (2010/30/EU) | 0.69     |
