Item number: [42790050](#)

EAN: [4007220265918](#)

Set of different COMBIDISC tools with a diameter of 50 mm.

Technical information

Dia. external	50 mm
PFERD TOOLS	COMBIDISC-SET
type	50

Advantages

- ✓ Ideal selection for completing a variety of tasks and getting to know the system.
- ✓ Coordinated selection of the most common versions.
- ✓ High economic efficiency as tool can be changed quickly.
- ✓ Very comfortable due to ease of use and low-vibration working.
- ✓ No disruptions in use due to adhesion, slipping or coming loose.

Recommendations for use

- ✓ Use COMBIDISC grinding tools with an arbor on flexible shaft drives with an angle handpiece, or small compressed-air or electric angle grinders.
- ✓ Use grinding oil that is suitable for the material in order to significantly increase the tool life and the abrasive performance of the tools.

Ordering notes

- ✓ Please order arbor separately.

Safety notes

- ✓ The maximum permitted peripheral speed is 50 m/s.
- ✓ For safety reasons, the maximum permitted rotational speed indicated must never be exceeded.
