

Wall lamp

WALES – 225510207

incl. 2x SMD LED, 3,1W · 2x 310lm, 3000K

- **OSRAM inside**
- **Up and Down lighting**
- **Wallmounting**
- **IP20**
- **Not dimmable**

As a typical up and downlight, the WALES wall light impresses with its timeless design and adaptability. Above and below the luminaire, a beam of light is projected onto the wall behind, creating a decorative and harmonious light pattern in the respective application area. The light comes in a neutral matt nickel colour. This can be wonderfully combined with other colours and can be playfully integrated into an existing furnishing concept. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Material construction

Metal · Nickel mat

Product dimensions

Width: 9cm
Height: 9cm
Weight: 0,5kg

Technical data

Light source: SMD – LED (integrated)
Watt: 3,1W
Lumen: 2x 310lm
Kelvin: 3000K
Emission angle: 120°
Color rendering (CRI): > 80 CRI
Lifetime: 50000H
Switching cycles: 50000x ON/OFF

operating voltage: 230V ~ 50Hz
Protection grade: 1
IP classification: IP20

Dealer information

EAN Code: 4017807277913
Customs number: 94051190900

Packaging dimensions & weight

Quantities: 1

Width: 15cm
Height: 16cm
Depth: 12,5cm
Weight: 0,6kg
