

Wall lamp

ARDILA – 211660132

excl. 1x E27 · max. 40W

Features:

- Dusk sensor
- IP44
- Lamp(s) not included
- Switch
- Wallmounting

Our ARDILA series gives you timeless modernity in your outdoor area. The extraordinary design with a glass shade provides atmospheric light accents and a pleasant atmosphere around your home. The wall lamp has a twilight sensor that switches on automatically when it gets darker and can be switched off via an integrated switch if required. Due to the IP44 protection class, the luminaire is particularly weather-resistant. The luminaire is a high-quality eye-catcher in your outdoor area thanks to the elegant design made of glass and black matt die-cast aluminium. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
