- Total power declared: 7.2 kW

Whirlpool induction glass-ceramic hob - WS S4060 BF

4 induction rings. intuitive slider, for effortless control of your appliance settings. This Whirlpool induction glass-ceramic Hob features: An elegant technology, that heats the pan, not the hob, reducing energy dispersion and providing perfect cooking results. Electric power supply.

Direct access with sliders

A new user interface with dedicated sliders for each cooking zone. Each slider is mapped to the corresponding position on the hob surface to make it incredibly intuitive to use.

Induction technology

Faster, energy-efficient cooking. Induction technology heats the pan, not the hob, reducing energy dispersion by 10%, and providing perfect cooking results.

Slider

Intuitive cooking. The intuitive touch-sensitive Slider allows you to control the power for each hob whilst the illuminated display shows you which cooking zones are currently being used.

Melting

Perfect low-heat cooking. The Melting function allows you to cook at very low temperatures, providing you with the ideal solution for melting chocolate, butter or for cooking light, delicate sauces.

Keep warm

Warm meals, anytime. The low-powered Keep Warm function prevents your food from cooling, whilst the rest of the meal is being prepared.

Simmering

Superb simmering. The Simmering function allows you to obtain the perfect results for your slow-cooking recipes, and prevents your food from toughening.

Front Controls

Complete control over your cooking. Easily accessible and genuinely intuitive, the controls are conveniently positioned on the front panel of your hob, providing a frictionless cooking experience.

Power management

Outstanding energy efficiency. With the Power Management function, you set the hob's power level, to avoid the risk of overloading the power supply in your home.

Booster

Enjoy super fast boiling times with the Booster cooking zone.

Booster 3Kw

Enjoy ideal results, faster. This Whirlpool Hob features a 3Kw booster for faster, effective heating results.
