Ceiling lamp

ZANDOR – 603500331

excl. 3x E27 · max. 25W

- **Ceiling mounting**
- **IP20**
- **Lamp(s) not included**

The modern ZANDOR ceiling light is a real eye-catcher in any living space. Most of the light escapes downwards. The pretty pattern of the luminaire also allows some light to escape here. The ZANDOR wall lamp is therefore particularly suitable for additional or accent lighting, as the focus is naturally not on bright illumination but on an atmospheric effect. It has a diameter of 40 cm and a height of 15 cm. The luminaire is made of matt white metal. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.
