Integrated WIFI

- Immediately back up your videos to your smartphone or share them via the MiVue™ Pro app, with the device's integrated WIFI.
- You can also update the MiVue™ 732 firmware with WIFI OTA (Over-the-air) update, ensuring your device is always up to date.

1080p Full HD recording at 30 fps

- Designed with a Full HD 1080 pixel camera, your dash cam captures all the necessary details of your journey.
- With a 130° wide-angle lens, you can be sure that no part of your journey is left unrecorded

7 stage adjustable EV value

- Adjustable independently allowing brightness level to be manually adjusted

2M sensor

- High image and video quality is vital for showing what happened in the event of an accident. The MiVue™ 732 ensures that footage captured cannot be disputed

3-Axis G-Sensor

- In the event of an accident or a sudden change of motion, the device's built-in G sensor instantly records vehicle's movements and ensures the recorded data cannot be overwritten
