

Energy
efficiency class

G

Product data

Art. No.	683
EAN	4038437006834
Measures (WxHxD)	430 x 690 x 540 mm
Weight	29,7 kg
Volume	ca. 63 Liter
Power	60 Watt
Voltage	230 V / 50 Hz
Consumption	138 kW / year
Airborne sound emission	40 db (A)
Climatic class	ST
Certification	CE, GS
Packing unit	1

OUTDOOR REFRIGERATOR

Barbecue Cooler L

- + Ideal for covered terraces etc.
- + Door hinge on the left
- + One temperature zone
- + Temperature manual adjustable from 0 - 10 °C
- + Compressor technology
- + Connectible white LED interior illumination
- + Storage volume of about 63 liters
- + Removable shelves
- + 3-coat insulating safety glass with UV filter for optimal light protection
