

Table lamp

LENNON – R52176183

incl. 1x SMD LED, 2W · 1x 180lm, 3000K

Features:

- 4 level Touch function
- IP44
- Rechargeable battery operated
- USB connection

The puristically designed LENNON table lamp is ideally suited for both indoor and outdoor use. Thanks to being battery operated, the small light can be flexibly taken to any garden party. The mobile light can be easily charged via a USB-C connection. In addition, the table lamp has a 4-fold touch, so that the light intensity and thus the mood of the ambience can be determined individually. Due to the IP44 classification, the luminaire is protected against splashing water and therefore also suitable for outdoor use. The simple and reduced design in mushroom shape makes the table lamp in Illuminate Yellow an unobtrusive decorative element that is particularly adaptable. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.

Color & Material:

Color: Illuminate Gelb
Material: Plastic

Dimensions:

Height: 21,5 cm
Diameter: 13,6 cm
Weight: ,4 kg

Technical Data:

Light source: SMD (integrated)
Watt: 2W
Lumen: 1x 180lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 35000h
Switching cycles: 15000x ON/OFF
Operating voltage: 5V ~ 50Hz
Protection grade: 3
IP Classification: IP44

Dealer information:

EAN: 4017807541229
Customs number: 94052140000

Packaging dimensions:

Width: 14 cm
Height: 23 cm
Depth: 14 cm
Weight: ,5 kg
