GPS tracking
& Time/location
auto-calibration

GPS Safety camera
warnings & Mio's patented
Smart Alert

Record at all times
with Parking Mode

Integrated WIFI

Average Speedcam Alerts

MiVue™ 798 Pro shows the distance and time (seconds) to terminal speedcam, and also provides the speed limit and average speed of the interval.

60fps High Speed Recording

- When compared with conventional 30fps, this double data density allows for exceptionally detailed and smooth video even when recorded at high speeds

60fps vs 30fps

Record at all times with Parking Mode

- With the latest motion detection technology, MiVue™ 798 Pro can automatically activate and record videos when a motion is detected near the front of the vehicle. This helps collect evidence even when you're not in the car

* Requires SmartBox, available separately.

GPS Safety Camera Warnings

- General fixed-distance warning
- Mio's patented Smart Alert: early alert for higher speeds
- Enjoy free safety camera data updates**

** Excludes France, Switzerland, Latvia, Estonia, Romania, Turkey, and Germany.
