A fascinating interplay of light and sustainability - our three-light CORK pendant light is the perfect centrepiece. The harmonious combination of recycled glass and cork brings the colours of life to life. With its aesthetic appearance, it integrates perfectly into your living and dining area and creates a cosy ambience with warm colour tones. Its colour palette of green, amber and smoke creates a feeling of connection with nature. The use of the material mix of cork, glass and metal reinforces this feeling of nature and gives the room a harmonious balance between naturalness and modern design. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
