excl. 2x GU10 · max. 35W

Features:

- IP20
- Lamp(s) not included
- Up and Down lighting
- Wallmounting

Perfect and variable light! The MARLEY wall light is not only practical in form and function, but above all one thing: simply beautiful! The luminaire is discreet in design and impresses with its high-quality workmanship. The wall light is totally practical as it takes up hardly any space and is a real highlight with up and down lighting. Whether in the kitchen, in the hallway or in the living area: the MARLEY is versatile and can be easily combined with different furnishing styles. It is designed in the colour white and can therefore stylishly complement modern colour concepts. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
